Business Consulting

Eddie Lee
CEO, Founder

Welcome.

A message from our CEO

My journey across North America, Asia, and Europe has been an incredible adventure, working with top global corporations and agile startups in 52 countries. I've navigated diverse industries, from technology and hospitality to entertainment and fashion. This wealth of experience in business development and venture capital revealed a profound truth: Small and Medium Enterprises (SMEs) are the heartbeat of our economy. Driven by a passion for helping business owners, I founded OneHub. Our mission is to empower SMEs with essential services that boost competitiveness, revenue, and sustainable growth. Together, with our dedicated team, we are committed to your success and eager to help you thrive!

Why OneHub

Why We Care

Success Story

OneHub Supports a Medical Services Clinic

Opportunity A startup founded by Sarah and David, aimed to revolutionize healthcare with their innovative health monitoring device. However, they faced the typical challenges of a new SME: securing funding, navigating regulations, marketing, bookkeeping, and audits. They turned to OneHub Business Consultancy, an essential partner understanding these hurdles.

Challenges Sarah and David encountered significant obstacles. They needed funds to develop their device, navigate complex healthcare regulations, effectively market their product, and manage finances while ensuring compliance with auditing standards.

Services

OneHub provided crucial support

1. Incorporation and Legal structure OneHub offers expert legal advice and assistance in incorporating their company with the optimal structure for tax efficiency.

2. Startup and Funding OneHub refined their business plan, connected them with investors and bankers, and guided them in securing grants and loans.

3. Regulations and Licensing OneHub's ex-

perts ensured compliance with healthcare regulations and assisted in obtaining necessary licenses.

4. Marketing OneHub builds SEO-optimized and cybersecurity-ready website, crafts compelling brand narratives, and launches digital marketing campaigns to enhance visibility and attract early adopters

5. Bookkeeping and Audit OneHub set up efficient accounting systems and conducted financial audits, preparing the clinic for investor scrutiny and regulatory compliance.

Results Within a year, the clinic launched their health monitoring device to positive feedback, secured additional funding, and established a strong market presence, thanks to OneHub's expert guidance.

Successful Partnership The clinic is now a leader in technical health services, transforming patient care and inspiring other startups. With OneHub's essential support, they turned their ambitious vision into a thriving reality, proving that with the right partner, any emerging business can succeed.
